

Established in 1887

to play a leadership role

on issues relevant to  
your organization

And to your staff

- *CSCE customizes continuing education training programs for our local sections and for some of our client organizations.*
- *Your staff will be provided with our bi-monthly magazine, the Canadian Civil Engineer (CCE), and an electronic version of both the Canadian Journal of Civil Engineering (CJCE) and the Journal of Environmental Engineering and Science (JEES).*
- *And a wealth of other value-added benefits:*

- Discounts on publications
- Group accident insurance
- Publishing opportunities
- Participation in international projects
- Honours & Awards Programs

*and much more...*
