

## **PRESIDENT'S AWARD FOR BEST CSCE STUDENT CHAPTER 2012**

As soon as possible after the close of the operating year, each Student Chapter is urged to send its report on its activities for consideration by the Selection Committee for the President's Award for Best Chapter of the year. Please use the following form and note the submission deadline of **March 31, 2012**. The winner and the two runner-ups will be announced at the CSCE Annual Conference Awards Banquet in the late Spring 2012.

To be eligible to apply for CSCE President's award, Student chapter must submit a 3-page "**Proposed Plan**" for the academic year by **January 30, 2012** to Lynne Cowe-Falls, Chair of the Student Affairs Committee by email ([lcowefal@ucalgary.ca](mailto:lcowefal@ucalgary.ca)). The proposed plan must include the names of the chapter executives, proposed plan of events (such as education presentations, social events, competitions, etc) and a schedule of events (e.g. Nov. 5<sup>th</sup>: Graduate Poster Night, Nov. 10<sup>th</sup>: Talk by Dr. Greg Brown, etc.) of the year, and a proposed budget. The plan may also include other issues such as targets, expectations, etc. (example: to increase student membership by 50%), and this plan must be submitted through the Faculty Advisor of the student chapter to Lynne Cowe-Falls.

Some Chapters do not bother to submit their proposed plan and final reports because they think they do not have a chance to win. BUT, if you don't enter, you DON'T have a chance of winning. In addition, these reports supply extremely valuable feedback to our Student Affairs Committee and CSCE Headquarters.

## **PRESIDENT'S BEST STUDENT CHAPTER AWARD 2012**

Please submit your student chapter's proposed "Plan and Budget" (maximum 3 pages) by **January 30, 2012** to Lynne Cowe-Falls (lcowefal@ucalgary.ca). The plan must include:

1. Names of the executives
2. Proposed Plan and Schedule of Events for the academic year
3. Proposed Budget

Also, please submit any other optional items that may be suitable to be included in your "Plan and Budget".

Please see front page of Appendix I for details.

### **Please note:**

- The award will be given to a dedicated CSCE student chapter, and not to the Civil Engineering Student Society/Civil Club/or civil engineering students' related club.
- The plan and budget should only cover the activities run through the CSCE student chapter. However, if the CSCE chapter is coordinating with the main Civil Engineering student society for certain functions, you may identify them and outline very clearly what is the role of CSCE student chapter on those functions.

We encourage the CSCE Student Chapter to work with the Civil Club or to be affiliated with the Civil Club. However, we would like to know the purpose/function/commitment from the CSCE Student Chapter.
